BOARD OF GOVERNORS**

SUBJECT: Public Notice of Intent to Create Board of Governors Regulation 9.006
Remuneration of University Presidents and Administrative Employees

PROPOSED BOARD ACTION

Approve the public notice of intent to Create Board of Governors Regulation 9.006
Remuneration of University Presidents and Administrative Employees.

AUTHORITY FOR BOARD OF GOVERNORS ACTION

Article IX, Section 7, Florida Constitution; Board of Governors' Regulation
Development Procedure

BACKGROUND INFORMATION

Section 1012.975 and 1012.976, Florida Statute creates a \$200,000 limitation on the
amount of state funds that can be used to pay university presidents and administrative
employees.

This new regulation provides guidance and definitions to the universities on fund
source and types of employees considered administrative, specifically defining teaching
faculty. This regulation is being provided for the universities to assist in the consistent
implementation of these two statutes to avoid potential audit findings.

Input has been received from the universities. If approved, the draft regulation will be
posted to the Board's website for public comment with final approval scheduled for the
March Board meeting.
