**AUTHORITY FOR BOARD OF GOVERNORS ACTION**

Article IX, Section 7, Florida Constitution; Sections 1013.03 and 1013.31, Florida Statutes

**BACKGROUND INFORMATION**

An educational plant survey is required at least once every five (5) years for all public educational entities, including state universities. At the request of FAU, Board staff facilitated and coordinated the Survey Team, and participated with university staff to ensure that all the requirements of section 1013.31, Florida Statutes, were met. In addition to FAU and Board staff, the team included staff from FAMU, FPU, FSU, FGCU and USF. The completed Educational Plant Survey Report was approved by the FAU Board of Trustees on May 17, 2016 – for the complete document see: [http://www.fau.edu/facilities/osua/info/FAU\\_Survey\\_Book\\_2015%20.pdf](http://www.fau.edu/facilities/osua/info/FAU_Survey_Book_2015%20.pdf)

This survey covers the period July 1, 2016 through June 30, 2021.

A summary of the Survey Team recommendations is attached (see Survey Team Recommendations). The complete Educational Plant Survey Report, which is in compliance with the requirements of section 1013.31, Florida Statutes, is ready for Board consideration for validation. Once validated by the Board, survey recommended projects may be included on the Capital Improvement Plan, and are eligible for PECO funding.
