Proposed Language for 2017-18 Projects Requiring Legislative Approval to be Constructed, Acquired and/or Financed by a University or a University Direct Support Organization (BOB-1)

January 25, 2017

SECTION \_\_\_\_ Pursuant to section 1010.62 and section 1013.171, Florida Statutes, and section 11(d) and (f), Art. VII of the State Constitution, the following fixed capital outlay projects may be constructed, acquired, and financed by a university or university direct support organization. Financing mechanisms include any form of approved debt or bonds authorized by the Board of Governors.

No state appropriation of funds will be associated with these projects. The Legislature has provided the Board of Governors general authority to consider debt financing for most classes of projects. However, certain athletic and commercial facilities require specific Legislative authorization as a prerequisite condition for these projects. Legislative authorization does not supersede any of the requirements for Board of Governors review and approval of all projects to be financed from debt.
