PROPOSED COMMITTEE ACTION

AUTHORITY FOR BOARD OF GOVERNORS ACTION

Article IX, Section 7, Florida Constitution

BACKGROUND INFORMATION

In March 2017, the Committee and the Board approved the following three strategies for improving 2+2 articulation.

Strategy 1: Develop a comprehensive and easily accessible web-based 2+2 advising toolkit. The website should contain information for secondary and postsecondary students, advisors, and other key users.

Strategy 2: Encourage the state universities to improve and expand existing local 2+2 enhancement programs and identify key components of effective programs in the four critical areas identified by the Committee (academic transition, admissions process, cultural transition, and information on A.A. graduates). Require the state universities to conduct regular reviews of enhancement programs and provide regular reports of those reviews to the Academic and Student Affairs Committee.

Strategy 3: Develop and implement a 2+2 data and information toolkit looking at both the institutional and System levels. The toolkit should include already existing data and analyses and new data and analyses as needed.

Following the March meeting, Board staff established a workgroup to develop recommendations for how to best implement the three strategies. The workgroup met in person on August 15 in Tallahassee to begin work on the first strategy.

Board staff will provide a brief update on the workgroup's progress.
