Growth Plan Implementation

Teams of faculty meet to develop and evaluate proposals for new positions that build on our strengths, capitalize on our location, and meet student demand. Faculty write position descriptions. Faculty positions are posted. Faculty review resumes and interview candidates. Faculty meet to discuss Office of Teaching & Learning activities and student activities and programs. Faculty meet to discuss Health Educator, Case Manager, and Assistant Director of Student Disabilities Services increase capacity to meet student need for disability services, counseling, and wellness. Safety improved through additional law enforcement officers.

THANKS!
