

State University System of Florida

OPERATING BUDGET

Summary Fiscal Year 2018-2019

*Florida Board of Governors
Office of Budgeting and Fiscal Policy*

OVERVIEW

2018-2019 OPERATING BUDGET OVERVIEW

Pursuant to Section 1011.40(2), Florida Statutes, and House Bill 5001, each President has prepared and received approval from their University Board of Trustees for a 2018-2019 operating budget.

The 2018-2019 operating budgets for the state universities were approved by the Board of Governors at their September 13, 2018, meeting.

The universities have developed their operating budgets for each budget entity in accordance with statutory authority, the 2018 General Appropriations Act (GAA), Board of Governors Regulation 9.007, and the information contained in the 2018-2019 Allocation Summary and Workpapers. When developing their operating budget reports, universities utilize traditional appropriation categories and have budget flexibility during the development stage.

A series of fiscal summaries, charts, graphs, and supporting information has been provided as an overview of the State University System's fiscal operations for 2018-2019.

The Education and General (E&G) budget entity reflects the allocation of funds appropriated by the 2018 Legislature and includes previously appropriated trust funds. For 2018-2019 there are three sources of state funding in the GAA: the General Revenue Fund, the Educational Enhancement Trust Fund (Lottery), and the Phosphate Research Trust Fund (Florida Polytechnic University).

For the 2018-2019 academic year, base undergraduate student tuition will remain at \$105.07 per student credit hour.

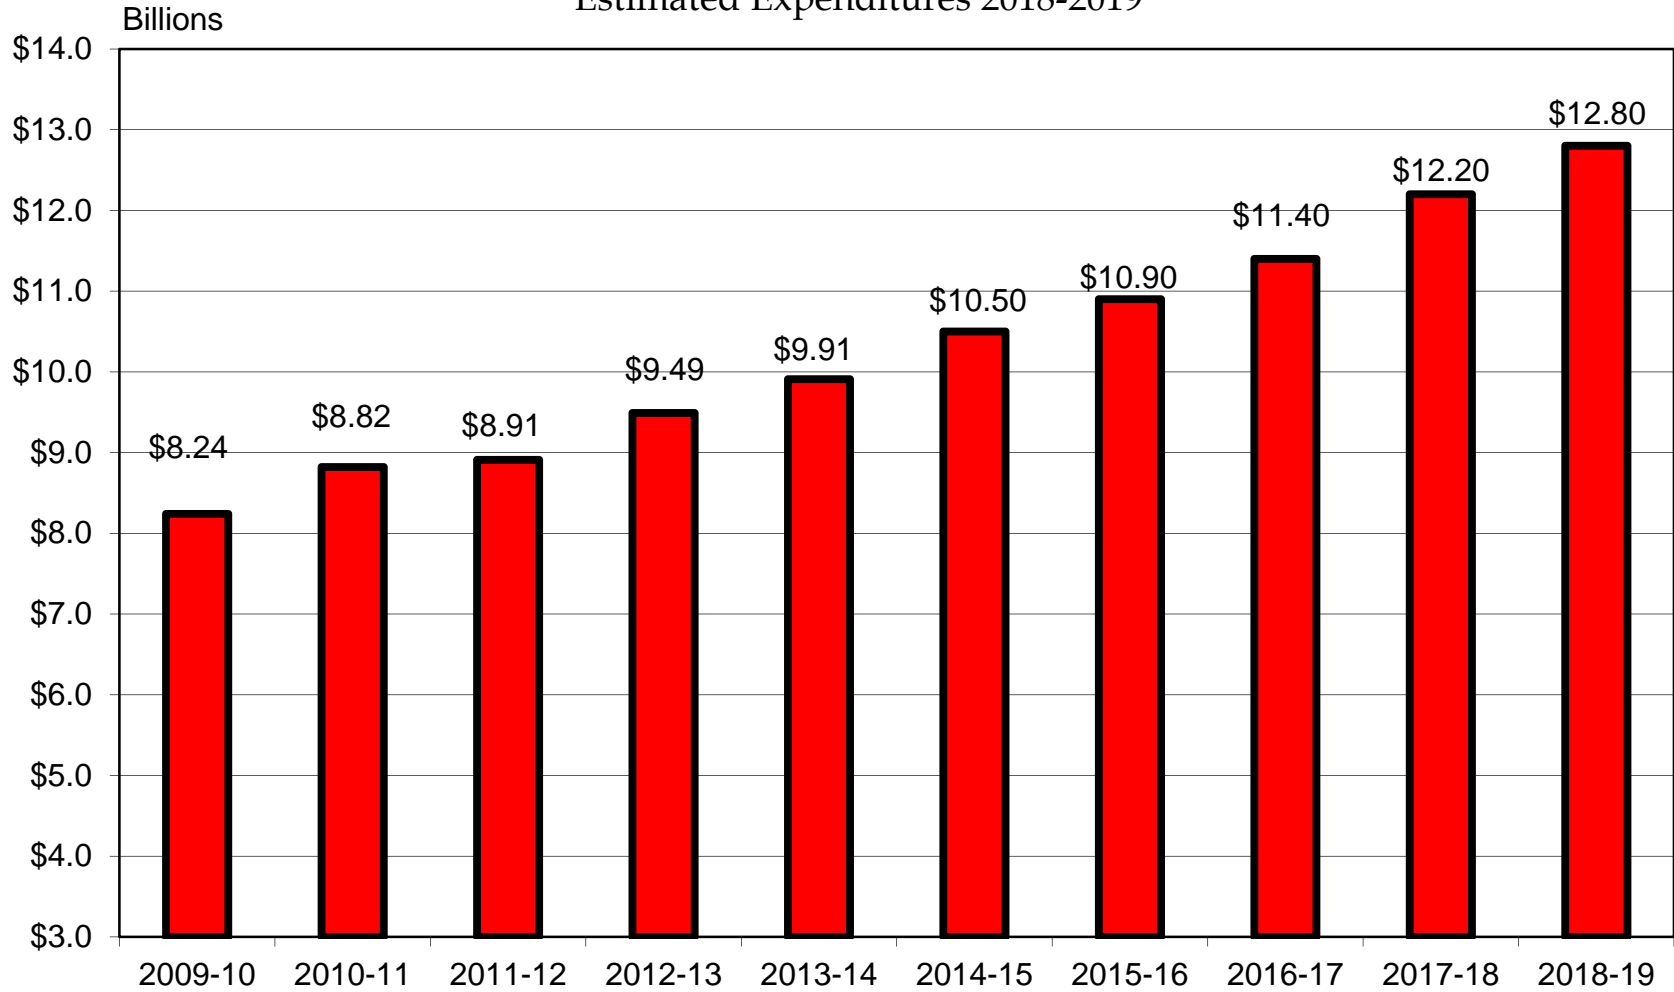

During the 2018-2019 academic year eleven of the state universities will be charging a tuition differential fee. Tuition differential collections are expected to provide approximately \$269.9 million for the university system, with revenues to be utilized for need-based financial aid and to support undergraduate education through investments in faculty and advisors, additional course offerings and course sections, and other undergraduate educational resources.

*IMPORTANT NOTE - Actual expenditures reported for the 2017-18 fiscal year exhibits include payments made from university carryforward funds, which are defined as appropriated dollars that were unexpended in

the year allocated and that have accumulated as available university fund balances in the education and general budget entity. This methodology is a departure from history (actual) year reporting for fiscal periods earlier than 2012-13 and must be taken into consideration when comparing expenditures from historical fiscal years, which did not report expenditures from university carryforward (fund balance) funds prior to 2012-13.

State University System of Florida All Budget Entities

Actual Expenditures 2009-2010 through 2017-2018
Estimated Expenditures 2018-2019

Includes special units, contracts & grants, auxiliaries, local funds, and faculty practice plans.

Operating Funds

Percentage of Total Expenditures by Budget Entity

Total Expenditures: \$12,190,192,279
Actual 2017-2018

Total Expenditures: \$12,781,945,877
Estimated 2018-2019

STATE UNIVERSITY SYSTEM OF FLORIDA

2018-2019 System Operating Budget

University Summary Schedule I Reports

The state universities are required to submit a detailed plan for each budget entity for the 2018-2019 fiscal year. Universities have developed their budgets in accordance with Board of Governors Regulation 9.007 – State University System Operating Budgets. Each university Board of Trustees has approved an operating budget for the current year.

The State University System (SUS) operating budget consists of five different budget entities: 1) Education and General, which includes both non-medical and medical entities, 2) Contracts and Grants, 3) Auxiliary Enterprises, 4) Local Funds, and 5) Faculty Practice Plans which are affiliated with the universities' medical programs. A description of these entities is provided below:

1. The **Education and General** budget funds the general instruction, research, and public service operations of the universities. A large portion of the system's 2018-2019 beginning fund balance reserves (\$252.8 million) is dedicated to meeting the 5% reserve requirement set forth in Section 1011.40(2) of the Florida Statutes. Additionally, millions of dollars have been reserved by the SUS to cover the costs associated with the hiring of faculty, maintenance of facilities and equipment, the maintenance of each university's financial software system, various research enhancement programs and initiatives, and the potential for budget reduction shortfalls.
2. The **Contracts and Grants** budget contains activities in support of research, public service, and training. Large fund balances are due to the timing of receipt of federal contracts or grants.
3. **Auxiliaries** are ancillary support units on each university campus. Major activities include housing, food services, bookstores, student health centers, facilities management, and computer support. Ending fund balances includes financial activities such as debt service payments, reserves, repair and replacement reserves for future maintenance costs, construction and renovation of auxiliary facilities, and prior-year encumbrances.

4. **Local Funds** include the following university activities:

- a) **Student Activities** - Supported primarily by the student activity and service fee revenues generated by the operations of student government, cultural events, organizations, and intramural/club sports.
- b) **Financial Aid** - This activity represents the financial aid amounts for which the university is fiscally responsible. Examples include the student financial aid fee, bright futures, federal grants, college work study, and scholarships. The ending fund balance represents a timing difference between the receipt of the funds and disbursement to students.
- c) **Concessions** - These resources are generated from various vending machines located on the university campuses.
- d) **Athletics** - Revenues are primarily derived from the student athletic fee, ticket sales, and sales of other goods and services. Sufficient fund balances are maintained to provide the necessary support for ongoing athletic activities.
- e) **Technology Fee** - Revenues generated from this fee are to be used to enhance instructional technology resources for students and faculty.
- f) **Board Approved Local Fees** - Resources generated from these local fees are utilized to address student-based needs not currently being met through existing university services, operations, or another fee.
- g) **Self-Insurance Programs** - These programs at UF, FSU, USF, UCF, and FIU are directed by the respective self-insurance councils and the captive insurance companies (these companies underwrite the risks of its owner and the owner's affiliates). These activities are supported by premiums charged to the insured individuals and entities (primarily medical faculty and institutions).

5. **Faculty Practice** - The Faculty Practice Plans collect and distribute income from faculty billings for patient services to the University of Florida, Florida State University, University of South Florida, Florida Atlantic University, University of Central Florida, and Florida International University Medical Schools and Health Science Centers.

Other notes referred to on the Summary Schedule I report are:

- 6. Other Receipts/Revenues includes items such as interest, penalties, refunds, admissions, fines, taxes, etc.
- 7. Other Non-Operating Expenditures include items such as refunds, payment of sales taxes, or indirect costs.

The following Summary Schedule I reports were provided to the Board of Governors' Office of Budgeting and Fiscal Policy as a component of the each state university's annual operating budget for fiscal year 2018-2019.

CONTRACTS AND GRANTS

CONTRACTS AND GRANTS

The Contracts and Grants budget contains activities in support of research, public service, and training. These activities are funded with awards from federal, state, local, and private resources.

Each university has established budget to support anticipated grant activities for 2018-2019 and to cover encumbrances from June 30, 2018. A total system budget for 2018-2019 of \$2,434,577,525, a one percent increase from actual 2017-2018 expenditures, has been established.

AUXILIARY ENTERPRISES

AUXILIARY ENTERPRISES

Auxiliary Enterprises are university operations that are self-supporting through fees, payments and charges. Student housing, food services, bookstores, student health centers, transportation and parking services, facilities management, and computer support are among the major services provided to and supported by the students and staff.

Each year, the universities establish an auxiliary budget to support anticipated growth for their auxiliary units. A total estimated budget for 2018- 2019 of \$1,737,384,191, a 17.5 percent increase over actual 2017-2018 expenditures, has been established.

These resources are generated primarily from the activity and service fee which each university is authorized to charge its students as a component of the fee schedule. The level of the fee varies by university, depending on the purposes and programs for which it is intended to support. Activities commonly supported by these revenues include student government, cultural events, organizations, intramural/club sports, etc. The level of revenue varies among universities since the operating philosophies vary by campus. For example, a portion of UF's revenue is deposited into the auxiliary enterprises budget entity in support of the Reitz Union. Conversely, FSU operates its student union within the student activity budget.

The budget for this activity represents the amounts for which the university is fiscally accountable. The variances in the level of financial aid among the universities relates to the various operational philosophies and the manner in which the accounting records are maintained, as well as the mix among the sources of aid. Section 1009.24(6), Florida Statutes, requires that "a minimum of 75 percent of funds from the student financial aid fee for new financial aid awards shall be used to provide financial aid based on absolute need."

Concession revenues are royalties that are generated from various vending machines located throughout the campus of the universities. Since the methods of operation vary among universities, the level of revenues differ. For example, a university may have fewer vending machines because strategically located food service units serve most of its needs. In turn, revenues generated from concession activities are mainly used to pay the cost of operating the vending machines on campus. These resources are also allocated to various academic, administrative, and student units on campus to fund a variety of activities such as student recruitment and retention programs; faculty, staff and student recognition programs and various organizations and events.

FACULTY PRACTICE PLANS

FACULTY PRACTICE PLANS

The Faculty Practice Plan budget contains data related to not-for-profit corporations organized to collect and distribute to the University of Florida, University of South Florida, Florida State University, University of Central Florida, Florida International University, and Florida Atlantic University health science and medical centers' income from faculty billings for patient services. These patient services are provided in conjunction with the educational and research programs of the health science and medical centers. The total estimated 2018-2019 Faculty Practice Plan expenditures for the system is \$615,704,997.

The University of Florida (UF) has established a Faculty Practice Plan budget for 2018-2019 of \$329,426,656, a 1.7 percent increase over actual 2017-2018 expenditures. During the 2008-2009 fiscal year the University of Florida Health Center changed the reporting methodology for the Academic Enrichment Fund (AEF), which has historically been reported as a component of the UF Faculty Practice Plan corporations. All AEF fiscal activity is now reported in UF's Contracts and Grants budget entity, significantly reducing the Faculty Practice Plan budget when compared to previous periods.

The University of South Florida has established a total budget for 2018-2019 of \$261,558,102, which represents a 3.2 percent increase from actual 2017-2018 expenditures. Florida State University has established a total budget for 2018-2019 of \$2,920,821, an increase of 13.2 percent over actual 2017-2018 expenditures. The University of Central Florida has established a total budget for 2018-2019 of \$9,912,765, an increase of 33.5 percent over actual 2017-2018 expenditures.

Florida International University has established a total budget for 2018-2019 of \$6,081,394, an increase of 10.1 percent from actual 2017-2018 expenditures. Florida Atlantic University has established a total budget for 2018-2019 of \$5,805,259, an increase of 25.8 percent from actual 2017-2018 expenditures.
