Public Notice of Approval of Amendments to Regulation 7.003

**AUTHORITY FOR BOARD OF GOVERNORS ACTION**

Article IX, Section 7, Florida Constitution; Board of Governors Regulation Development Procedures

**BACKGROUND INFORMATION**

This regulation is being amended as a result of Senate Bill 1108 exempting the civic literacy course requirement from the Excess Hour Fee. Senate Bill 1108 amends the civic literacy competency requirement beginning with students initially entering a state university in the 2021-2022 school year and thereafter. Students must demonstrate competency in civic literacy by achieving a passing score on an assessment and by successfully completing a civic literacy course.
