Re: 2022-2023 Fixed Capital Outlay Budget Request Revised

Dear Tim:

New College of Florida has revised its request for funding for the Hamilton Classroom Building Remodeling project included in our initial FY 2022-23 Fixed Capital Outlay Budget Request covering the period FY 2022-23 through 2026-27.

The New College Board of Trustees will receive the revised project request at a meeting scheduled for Saturday, August 21, 2021. The link to the August 21, 2021, Board of Trustees meeting is as follows: <https://www.ncf.edu/about/leadership-and-governance/board-of-trustees/>. The materials being presented at the August 21, 2021 meeting include the revised, CIP 2 (Summary of Projects) and CIP 3 (Project Details) for the Hamilton Classroom Remodeling project.

This request has been amended to reflect the full amount needed to complete the remodeling project instead of two separate requests between year 1 and year 2. This request continues to be our top priority.

We are grateful to you, your staff and the Board of Governors for your collective ongoing support of New College's facilities planning needs. Should you have any questions regarding the updates to this project, please do not hesitate to contact Vice President Chris Kinsley.

Sincerely,
