BOARD OF GOVERNORS**

**SUBJECT:** Public Notice to Approve Amendment to Board of Governors Regulation 6.006 Accelerated Mechanisms

---

**PROPOSED BOARD ACTION**

Consider approval of the amendment to Board of Governors Regulation 6.006 Accelerated Mechanisms.

**AUTHORITY FOR BOARD OF GOVERNORS ACTION**

Article IX, Section 7, Florida Constitution

**BACKGROUND INFORMATION**

Board of Governors Regulation 6.006 specifies how State University System institutions recognize and apply credit for accelerated mechanisms. The proposed amendment clarifies that the test identified in subsection (4)(b) is the placement test specified in Regulation 6.008, Postsecondary College-level Preparatory Testing, Placement, and Instruction for State Universities. This test and concordant scores from other national exams are utilized in different dual enrollment situations and the standard admission criteria for first-time-in-college undergraduate students.

Appropriate offices reviewed the intent to amend at all universities, and the Board of Governors approved the Public Notice of Intent to Amend at its September 1, 2021, meeting. Following approval of the public notice of intent, no public comments were received, and the regulation as amended is ready for final approval.
