**BACKGROUND INFORMATION**

This award is established in honor of Norman D. Tripp, who served faithfully on the Board of Governors for the State University System of Florida (2008 – 2020). Governor Tripp was well known as a passionate advocate for students, and he believed that students' academic and personal success was the shared responsibility of all members of the university community. The purpose of this award is to recognize a State University System institution employee who has gone above and beyond their normal job requirements to contribute to the academic and/or personal success of a student or group of students in the last twelve months.

Nominees must meet two or more of the following requirements and exceed the normal requirements of their job in doing so.

- Nominee contributes to the academic, personal, or professional development of a student or group of students.
- Nominee helps to foster a student-centered atmosphere.
- Nominee contributes to the retention of a student or group of students.
- Nominee aids the development of academic and/or life skills.

The Board will recognize the recipient.
