Four Pillars of Online Ranking Success

FACULTY CREDENTIALS & TRAINING

How we develop best-practice digital learning success with faculty.

ENGAGEMENT

How we use innovative methods and technology to engage with our students.

SERVICES & TECHNOLOGY

How we provide full-service coaching and tech for our online students.

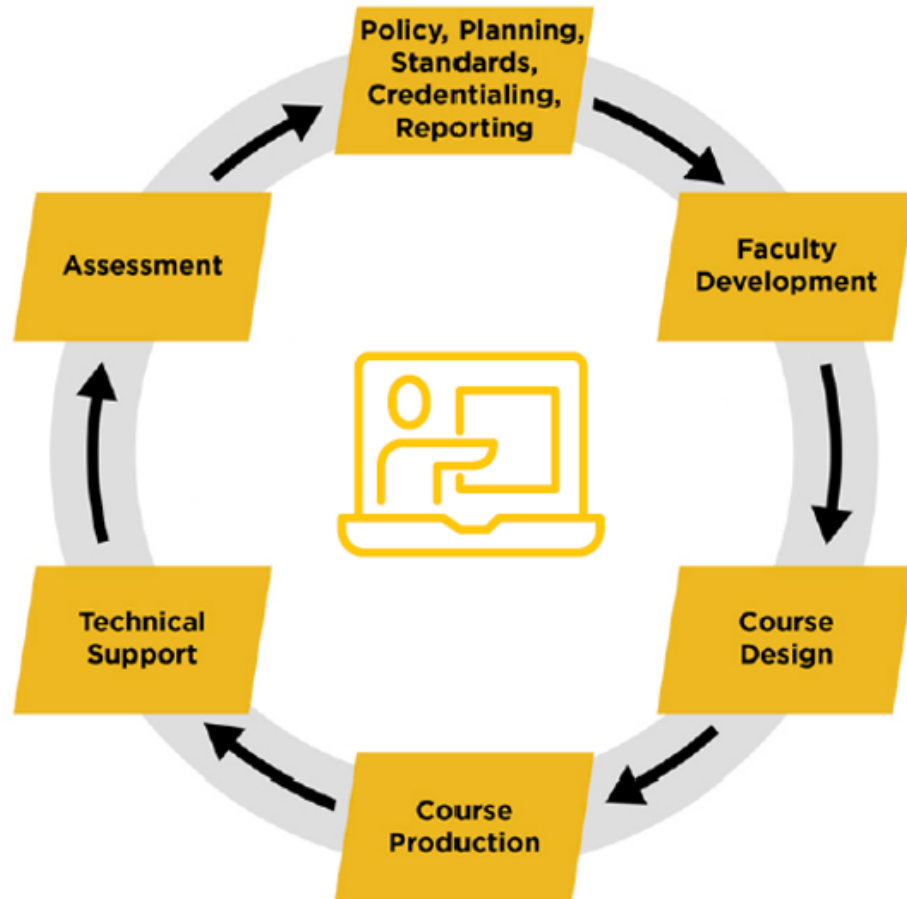

EXPERT OPINION

How we set national industry benchmarks for others to follow.

Faculty Credentials & Training

UCF's faculty training system has become an award-winning national model that contributes to the success of both our faculty and our students.

Instructional Designers & Faculty Members

Nursing Professor Desiree Diaz (left) and instructional designer Kathleen Bastedo (right) work together with a team at UCF's Center for Distributed Learning to create custom software that helps students develop their own nursing simulation rooms.

Engagement

“Sometimes I have a crazy idea, but I’m never immediately shut down. Kathleen [Bastedo] and the instructional designers are always great to work with and help bring my ideas to life.”

Desiree Diaz, PhD

University of Illinois--Chicago	public	3.5

“A key reason for UCF’s success is its focus on digital learning, which has allowed the university to meet the needs of its expanding student population and keep tuition costs low.”

Bill Gates, Co-chairman of the Bill & Melinda Gates Foundation
