PROPOSED BOARD ACTION

Approve the Public Notice of Intent to Amend Regulation 10.004.

AUTHORITY FOR BOARD OF GOVERNORS ACTION

Article IX, Section 7, Florida Constitution; Board of Governors Regulation Development Procedures

BACKGROUND INFORMATION

Senate Bill 2524 corrects an inconsistency in statute regarding the proper authority for approval of fees for child care/services offered by a university Educational Research Center for Child Development. The bill deletes the Board of Governors requirement to approve the fees and leaves section 1009.24(14)(s), Florida Statutes, as the governing language authorizing university board of trustees to establish such fees.

This regulation has been shared with the universities.
