SUBJECT: Public Notice of Intent to Amend Board of Governors Regulation 2.002, University Accountability Plans

PROPOSED COMMITTEE ACTION

Consider approval of Public Notice of Intent to Amend Board of Governors Regulation 2.002, University Accountability Plans

AUTHORITY FOR BOARD OF GOVERNORS ACTION

Article IX, Section 7, Florida Constitution

BACKGROUND INFORMATION

Board of Governors Regulation 2.002 requires universities to submit annual accountability plans to the Board of Governors. At its January 26, 2022, meeting, the Board of Governors approved the Civil Discourse Initiative Report, which included a recommendation for each university to endorse the Board's Statement of Free Expression and set a clear expectation for open-minded and tolerant civil discourse in each university accountability plan. The proposed amendment requires that this endorsement appears in each university's accountability plan.

If approved by the Strategic Planning Committee and the Board of Governors, the amended regulation will be available for public comment for thirty days. If no concerns are raised, the regulation will come before the Board of Governors for final approval at the next meeting.
