SUBJECT: Public Notice of Approval of Amendment to Board of Governors
Regulation 2.002, University Accountability Plans

PROPOSED BOARD ACTION

Consider approval of the amendment to Board of Governors Regulation 2.002, University Accountability Plans.

AUTHORITY FOR BOARD OF GOVERNORS ACTION

Article IX, Section 7, Florida Constitution

BACKGROUND INFORMATION

Board of Governors Regulation 2.002 requires universities to submit annual accountability plans to the Board of Governors. At the January 26, 2022 meeting, the Board of Governors approved the Civil Discourse Initiative Report, which included a recommendation for each university to endorse the Board's Statement of Free Expression and set a clear expectation for open-minded and tolerant civil discourse in each university accountability plan. The proposed amendment requires that this endorsement appears in each university's accountability plan.

The Board of Governors approved the Public Notice of Intent to Amend Board of Governors Regulation 2.002, University Accountability Plans, at its June 30, 2022, meeting. Following approval of the public notice of intent, no public comments were received, and the regulation as amended is ready for final approval.
