AUTHORITY FOR BOARD OF GOVERNORS ACTION

Article IX, Section 7, Florida Constitution; Board Regulation 5.001 – Performance-Based Funding

BACKGROUND INFORMATION

Pursuant to Board Regulation 5.001(6):

Beginning with the Fiscal Year 2021-22 appropriation, any institution with a score lower than 70 points shall submit a student success plan to the Board of Governors for consideration at its August/September meeting that specifies the activities and strategies for improving the institution's performance metrics in order to be eligible for 50 percent of their proportional amount of the state's investment.

Florida Polytechnic University's (FL Poly) score for 2022 was 66 points.

If FL Poly had scored 70 points or higher, they would have been eligible for \$4,265,820. However, pursuant to Board Regulation they are only eligible for 50 percent or \$2,132,910 of their proportional amount of state investment. The \$2.1 million is being held in reserve. If the Student Success Plan presented is approved by the Board, up to 50 percent or \$1,066,455 will be released to FL Poly. A final plan will be submitted in March for consideration. If the final plan achieves all of the goals approved in September, then the balance of the state investment shall be released to the university.

The Board of Trustees have approved a Student Success Plan for consideration.
