**PROPOSED BOARD ACTION**

Consider approval of Public Notice of Approval of Adoption of Board of Governors  
Regulation 1002, Presidential Search and Selection.

**AUTHORITY FOR BOARD OF GOVERNORS ACTION**

Article IX, Section 7, Florida Constitution, Section 1004.098, Florida Statutes

**BACKGROUND INFORMATION**

During the 2022 legislative session, section 1004.098, Florida Statutes, was enacted to provide exemptions from Florida's public records and open meetings requirements for the personal identifying information of applicants for university president positions. Once a final group of applicants are advanced to a university board of trustees for consideration, the personal identifying information of the finalists becomes public. Board Regulation 1.002 is being amended to conform with the new legal requirements of section 1004.098.

The proposed regulation was posted for public comment for thirty days and the regulation is now ready for final approval by the Board.
