AUTHORITY FOR BOARD OF GOVERNORS ACTION

Article IX, Section 7, Florida Constitution

BACKGROUND INFORMATION

An essential component of the Board of Governors' 2025 Strategic Plan is the list of Programs of Strategic Emphasis. Programs of Strategic Emphasis are one of several tools for aligning the degree production goals of the State University System with the economic and workforce needs of Florida and are also included in the Performance Based Funding Model. Every few years, Board staff, in collaboration with key stakeholders, review the list of programs to ensure that they align with the workforce needs of Florida. The list was reviewed and updated in 2019 and again in 2020 to incorporate federal CIP code updates that went into effect for the 2021-22 Academic Year.

Board staff will begin reviewing the Programs of Strategic Emphasis during 2023 with input from key stakeholders and identify recommended revisions. Dr. Christy England, Vice Chancellor for Academic and Student Affairs, will present an overview of the review process.
