

8.015 Academic Program Review.

(1) Statement of Intent

(a) Academic program review has a lengthy history in the State University System of Florida, as efforts have been made to periodically analyze how degree programs provide students with high-quality education and preparation for success in our global economy. Well-aligned with ~~regional~~ institutional and discipline-specific accreditation expectations, program review processes in the State University System must emphasize the assessment of student learning outcomes and continuous program improvement.

(b) The Board of Governors ~~(BOG)~~ requires the periodic review of all academic degree programs in State Universities System institutions at least once every seven years from the date of the preceding review or from the implementation date of new academic programs. Program reviews must document how individual academic programs are achieving stated student learning and program objectives within the context of the university's mission, as illustrated in the academic learning compacts for baccalaureate programs. The results of the program reviews are expected to inform strategic planning, program development, and budgeting decisions at the university level and, when appropriate, at the state level.

(c) The Board of Governors supports the ongoing devolution of authority, campus-level decision making, and institutional accountability under the constitutional framework established by Floridians for their system of public universities. The Board also expects university and ~~BOG personnel~~ Board staff to ensure that program review processes and summary reports are of high quality and that they comply with the expectations outlined in Board of Governors and university regulations.

(2) Program Review Schedule Each university must establish and maintain a schedule for submission of program review summary reports for every degree program.

~~(a) Each university must establish and maintain a schedule for submission of program review summary reports for every degree program.~~

~~(b)~~ (a) Each university will ensure that each academic program is reviewed at least once every seven years from the preceding review for established programs. For new programs, a review must take place within seven years of the implementation date.

~~(c)~~ (b) The ~~Office of Academic and Student Affairs~~ Board of Governors' office shall review each university's program review schedule to ensure that all programs receive sufficient review, with appropriate input from ~~external experts~~ ,external to the institution, such as specialized accreditors or faculty in comparable programs from other postsecondary institutions, within each program's review schedule. In exceptional circumstances, institutions may request to negotiate a delay for sound business reasons

(e.g., to align a review with a specialized accreditation cycle; or to align reviews within like fields).

~~(3) Program Review Policies and Procedures~~ Each university must establish and publish clearly defined policies and procedures for reviewing academic programs and for ensuring continuous program improvement. Each university must submit to the Board office a current electronic version of its program review policies and procedures, or a hyperlink to the current electronic version, by December 15 of each year.
