**AUTHORITY FOR BOARD OF GOVERNORS ACTION**

Article IX, Section 7, Florida Constitution; Board of Governors Regulation 1.001(3)(c)

**BACKGROUND INFORMATION**

Board of Governors Regulation 1.001(3)(c) requires that each university board of trustees adopt a strategic plan in alignment with its mission and the Board of Governors' 2025 System Strategic Plan. The regulation also requires the Board of Governors to review and consider university strategic plans for approval. The Florida State University Board of Trustees approved a new strategic plan on February 24, 2023.

The university also submitted a crosswalk demonstrating how the institution's strategic plan aligns with the priorities of the Board of Governors' 2025 Strategic Plan. If approved by the Strategic Planning Committee, the Florida State University 2023-2027 Strategic Plan will be forwarded to the full Board for consideration.

Dr. Richard McCullough, President of Florida State University, will provide an overview of the plan.
