PROPOSED BOARD ACTION

Approve New College of Florida’s 2022-2023 Student Success Plan monitoring report and authorize the balance of \$907,493 in performance-based funding to be released.

AUTHORITY FOR BOARD OF GOVERNORS ACTION

Article IX, Section 7, Florida Constitution; Board Regulation 5.001 – Performance-Based Funding

BACKGROUND INFORMATION

Pursuant to Board Regulation 5.001(6):

Beginning with the Fiscal Year 2021-22 appropriation, any institution with a score lower than 70 points shall submit a student success plan to the Board of Governors for consideration at its August/September meeting that specifies the activities and strategies for improving the institution’s performance metrics in order to be eligible for 50 percent of their proportional amount of the state’s investment.

New College of Florida’s (NCF) score for 2022 was 66 points.

If NCF had scored 70 points or higher, they would have been eligible for \$3,629,973. However, pursuant to Board Regulation they were only eligible for 50 percent (\$1,814,987) of their proportional amount of state investment. The Student Success Plan presented in September 2022 was approved by the Board and \$907,494 was released to NCF. The final monitoring report is being submitted that tracks the progress NCF made in implementing the Student Success Plan. If the monitoring report achieves all of the goals approved in September, then the balance of the state investment shall be released to the university.

The Board of Trustees have approved a Student Success Plan monitoring report.
