SUBJECT: Update on Emergency Board of Governors Regulation 3.0075, Security of Data and Related Information Technology Resources

PROPOSED COMMITTEE ACTION

For information

AUTHORITY FOR BOARD OF GOVERNORS ACTION

Article IX, Section 7, Florida Constitution

BACKGROUND INFORMATION

In March, the Board of Governors adopted Emergency Regulation 3.0075, Security of Data and Related Information Technology Resources, to prohibit the use of specified technologies that pose a cyber threat to the State University System on university-owned devices.

The emergency regulation directs universities to use a state cyberthreat list to block traffic over the university-owned network and to remove any identified technology from university-owned devices.

Mr. Gene Kovacs, Chief Information Officer, will provide an update on the implementation of the emergency regulation.
