**PROPOSED BOARD ACTION**

Consider approval of Public Notice of Approval of Amendment to Board of Governors Regulation 8.002, Self-supporting and Market Tuition Rate Program and Course Offerings.

**AUTHORITY FOR BOARD OF GOVERNORS ACTION**

Article IX, Section 7, Florida Constitution

**BACKGROUND INFORMATION**

Board of Governors Regulation 8.002, Self-supporting and Market Tuition Rate Program and Course Offerings, outlines the requirements and process for universities to offer courses and programs as self-supporting and/or charge market tuition rates.

The proposed amendment aligns Regulation 8.002 to section 1009.24, Florida Statutes. The amendment clarifies that university boards of trustees may submit a proposal for market tuition rates for graduate-level courses offered online or through the university's continuing education program. The amendment also makes a series of technical revisions to the minimum required information that must be included in a market tuition rate program proposal.

The Board of Governors approved the Public Notice of Intent to Amend Board of Governors Regulation 8.002, Self-supporting and Market Tuition Rate Program and Course Offerings, at its March 29, 2023, meeting. Following approval of the public notice of intent, no public comments were received, and the regulation as amended is ready for final approval.
