SUBJECT: Public Notice of Intent to Amend Board of Governors Regulation 9.006
University Personnel Definitions and Compensation

PROPOSED COMMITTEE ACTION

Approve the Public Notice of Intent to Amend Regulation 9.006.

AUTHORITY FOR BOARD OF GOVERNORS ACTION

Article IX, Section 7, Florida Constitution; Board of Governors Regulation Development Procedures

BACKGROUND INFORMATION

This regulation is being amended pursuant to language in Senate Bill 7026 that changes the amount a university employee can receive in remuneration from state funds from \$200,000 to \$250,000. The amendment also changes the type of restricted funding for university employees from “appropriated state funds” to “public funds” and includes a definition of public funds.

This regulation has been shared with the universities.
