BOARD OF GOVERNORS**

SUBJECT: Public Notice of Approval of Repeal of Board of Governors Regulation 14.020, University Supervision of Construction Program

PROPOSED BOARD ACTION

Approve the Public Notice of Approval of Repeal of Board of Governors Regulation 14.020, University Supervision of Construction Program.

AUTHORITY FOR BOARD OF GOVERNORS ACTION

Article IX, Section 7, Florida Constitution, Regulation Development Procedures

BACKGROUND INFORMATION

Regulation 14.020 is comprised of four (4) provisions, all of which are redundant and unnecessary, for the following reasons:

- The first two provisions state the obvious and is not necessary to codify in regulation.
- The third provision is already addressed in sections 633.216 and 1013.371, Florida Statutes, i.e., the regulation is reiterative and redundant.
- The last provision is effectively addressed in Regulations 14.005, as proposed for amendment, and new Regulation 14.006, as proposed for adoption.

At the June 22, 2023 meeting, the Board approved the Public Notice of Intent to Amend Board of Governors Regulation 14.020. Notice was subsequently posted, and no comments or concerns were expressed by the public.
