UCF – South Orlando	Special Purpose Center	Closure

Regulation 8.009, Educational Sites

**Regulation 8.009
outlines definitions &
approval processes
for university
educational sites**

Type III Campus

- ✓ Typically provides a limited range of instruction, research activity, & student services
- ✓ Maintains enrollment between 300 & 1,000 students
- ✓ Facilities university-owned, university-leased or jointly used with another public institution

Special Purpose Center

- ✓ Provides certain special, clearly defined programs or services, such as research or public service
- ✓ Facilities owned by the university

Special Purpose Site

- ✓ Provides services of an educational or community outreach nature not leading to a postsecondary degree
- ✓ Facilities not owned by the university

University of Central Florida-Ocala

Reclassify UCF-Ocala from a Type III Campus to a Special Purpose Site

Current Site Use

- A joint-use facility with the College of Central Florida
- Offered instruction leading to a Bachelor's in Elementary Education
- Discontinued instruction due to lack of demand

Proposed Action

- Reclassify as a Special Purpose Site
- Maintain a DirectConnect coach to facilitate transition from College of Central Florida to UCF

Impact

- No impact on university staff, faculty, or students

University of Central Florida – Leesburg

Close UCF-Leesburg, a Type III Campus

Current Site Use

- A joint-use facility with Lake-Sumter State College
- Offered instruction leading to a Bachelor's in Elementary Education
- Discontinued instruction due to lack of demand

Proposed Action

- Closure

Impact

- University implemented a teach-out plan
- No impact on university staff, faculty, or students

University of Central Florida-Palm Bay

Close UCF-Palm Bay, a Type III Campus

Current Site Use

- A joint-use facility with Eastern Florida State College
- Offered coursework for Bachelor's degrees in Psychology, Human Communications, Interdisciplinary Studies
- Discontinued instruction due to expansion of online presence & course relocations

Proposed Action

- Closure

Impact

- University implemented a teach-out plan
- No impact on university staff, faculty, or students

University of Central Florida-South Orlando

Close UCF-South Orlando, a Type III Campus

Current Site Use

- 2 permanent unoccupied buildings on 20 acres of land
- Most recently, the site was used exclusively for testing

Proposed Action

- Closure
- UCF signed a 50-year sublease with Orange County for the establishment & operation of a public park & recreational facility

Impact

- University moved testing to sites with more modern facilities
- No impact on university staff, faculty, or students
