SUBJECT: Public Notice of Approval of Repeal of Board of Governors Regulation 14.0055, Certification and Competitive Selection for Construction Management and Design Build Services

PROPOSED BOARD ACTION

Approve the Public Notice of Approval of Repeal of Board of Governors Regulation 14.0055, Certification and Competitive Selection for Construction Management and Design Build Services.

AUTHORITY FOR BOARD OF GOVERNORS ACTION

Article IX, Section 7, Florida Constitution, Regulation Development Procedures

BACKGROUND INFORMATION

Regulation 14.0055, Certification and Competitive Selection for Construction Management and Design Build Services is proposed for repeal. The regulation is no longer necessary with the passage of SB 7026 and the proposed new Regulation 14.006, which together provide that such decisions regarding construction management vs. design-build services will be at the discretion of the university pursuant to procurement/contracting procedures prescribed by the boards of trustees.

At the June 22, 2023 meeting, the Board approved the Public Notice of Intent to Repeal Regulation 14.0055. Notice was subsequently posted for public review and comment. One comment was received from a professional services firm and subsequently reviewed by Board staff; said review did not result in reversal of the proposal to repeal the Regulation.
