

2023 State University System Admissions Tour

www.flbog.edu

Admission for A.A. High School Graduates

Students who graduate high school with an A.A. degree (60 college-level credit hours) can choose to enter a State University System institution as a first-time-in-college student or an upper-division transfer student

A.A. Degree Entering as FTIC

Require standardized test scores

Eligible for freshman merit awards

A.A. Degree Entering as Upper-Division Transfer

No standardized test scores required

Eligible for transfer scholarships

Admission will be rescinded if A.A. degree is not earned

Each institution has information available on its websites

Talented 20 Program

Students that are in the top 20% of their graduating class are guaranteed admission to a State University System of Florida institution

Top 20% of graduating class

If rejected from 3 State University System institutions, student may appeal

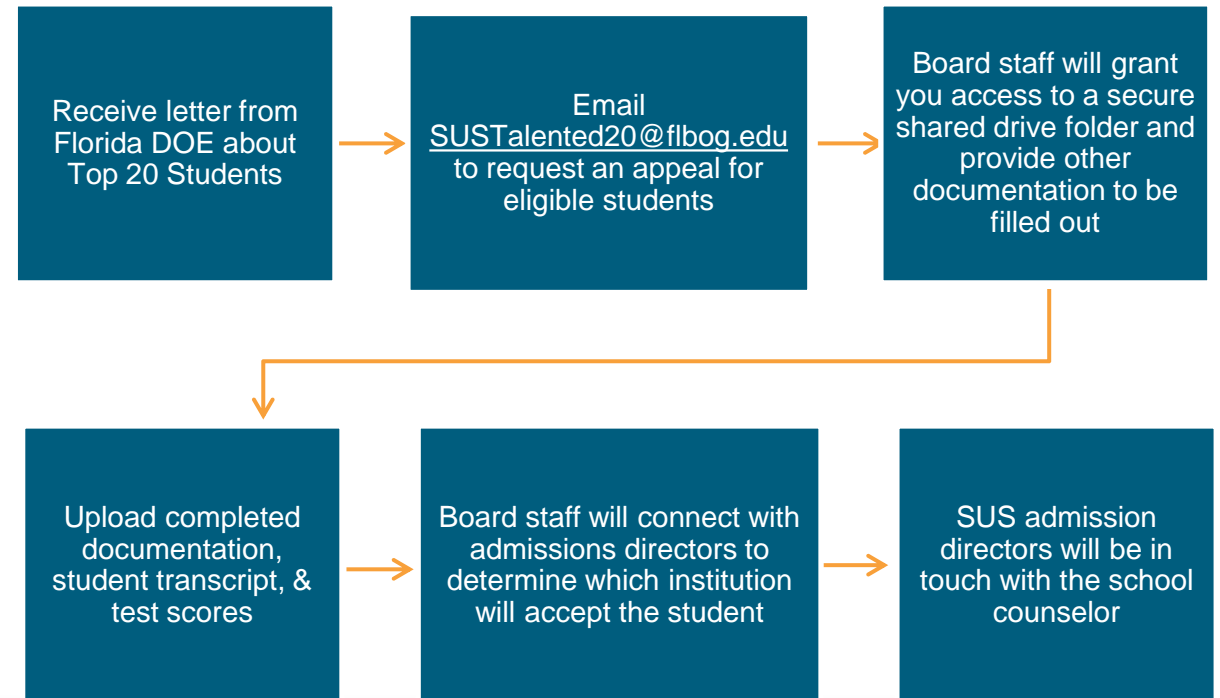

Email SUSTalented20@flbog.edu for appeals

Submit standardized test scores & transcript

Please submit all appeals by June 1st
Earlier is best

Alternative Pathways

Students can attend a Florida College System institution to receive their A.A. degree and transfer those credits to a State University System institution

2+2 Enhancement Program

State University System institutions must partner with at least one Florida College System institution to provide targeted programs

Talk to the admission director for the institution of interest about programs specifically tied to that institution

Classic Learning Test

The Board will consider adding the CLT as an approved standardized test for admission to a State University System institution

SAT		ACT		CLT	
Reading & Writing	490	English	19	Verbal Reasoning & Grammar/Writing	38
Mathematics	480	Mathematics	17	Quantitative Reasoning	16

MyFloridaFuture is a free, online college and career planning tool to assist students and families in making better-informed decisions about postsecondary educational options in the State University System of Florida

MyFloridaFuture Tool

MyFloridaFuture MyFloridaFuture Tool

Welcome to **MyFloridaFuture**, a college and career planning tool dedicated to providing students and parents with a wealth of information to help make better-informed decisions about educational options in the State University System of Florida. This interactive site will allow you to explore data at the System level and by individual institutions, including information on salary, graduate employment, student debt, and additional educational opportunities.

Explore each tab to learn more about the options available to students in the State University System. In many cases, you may hover over data points with your mouse to reveal more details.

- **Earnings Over Time**
Compare post-graduate earnings for each academic program at 1, 5, and 10 years after graduation
- **Compare Earnings**
Compare low, median, and high wages of multiple programs simultaneously
- **Beyond the Bachelor's**
Explore earnings potential over time of pursuing additional education beyond the bachelor's degree
- **Earnings by Major Group**
View interquartile ranges for post-graduation earnings in a single display for quick comparison
- **Typical Loan Amounts**
Examine the proportion of students in the university system who graduate with student loan debt
- **Loans Over Time**
Explore the projected monthly student loan debt payments as a proportion of monthly earnings over a ten year period

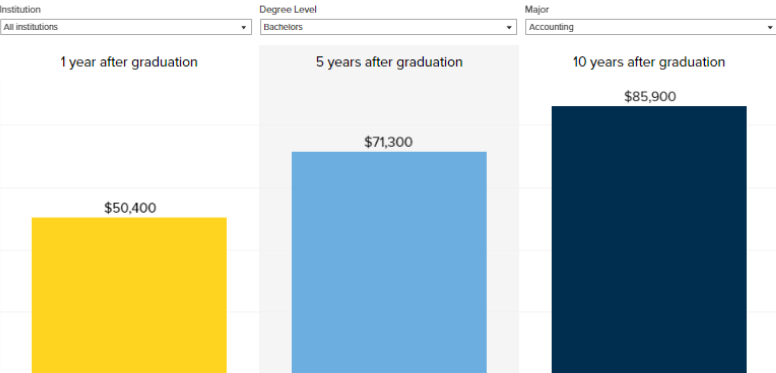

MyFloridaFuture Tool

MyFloridaFuture MyFloridaFuture Tool

Median earnings for **Bachelors** degree earners at **All institutions** 1 year, 5 years and 10 years after graduation: **Accounting**

Notes: Chart shows annualized gross (before tax) median earnings for graduates found working full-time. An asterisk is shown to protect the privacy of students when a selection has too few graduates (less than 10). For more, see the MyFloridaFuture technical notes.
