**AUTHORITY FOR BOARD OF GOVERNORS ACTION**

Article IX, Section 7, Florida Constitution, Regulation Development Procedures

**BACKGROUND INFORMATION**

The new regulation is being developed and adopted in connection with HB 1521, now section 533.865, Florida Statutes, which provides, among other things, that specific requirements be met regarding authorized use of restrooms and changing facilities in all university facilities. Furthermore, it requires the universities to provide documentation certifying their compliance with the statute by April 1, 2024, and periodically thereafter. Lastly, it requires the Board of Governors to develop regulations establishing procedures to carry out requirements of the section, including the format and method of delivery of requisite documentation, no later than January 1, 2024.

At its September 20, 2023 meeting, the Board approved the Public Notice of Intent to Adopt Regulation 14.010. Public notice was subsequently posted for review and comment, and no comments were received.
