A. 1979-1980 to 1999-2000 from appropriation ledger. 2000-2001 to 2022-23 from Final Amendment Package.

B. US fundable FTE (Full-Time Equivalent) students using data from the Office of Data Analytics - undergraduate based on 30 credit hours and graduate based on 24 credit hours.

**Notes:**

Includes other funding not directly related to instruction, such as funding for museums, radio/TV stations, public service, and research.

Not adjusted for inflation.

<sup>1</sup> These amounts will differ from the Annual Report. Some appropriations are for specific initiatives that are not tied to student instruction, whereas the Annual Report captures all appropriations. This table does not include the Major Gift Matching Program, Centers of Excellence, Commercialization Grants, or Research/Economic Development Funds.

B. US fundable FTE (Full-Time Equivalent) students using data from the Office of Data Analytics - undergraduate based on 30 credit hours and graduate based on 24 credit hours.

C. 2020-2021 data will be posted after final action by the Legislature on the Governor's 6% release hold-back.

**Notes:**

Includes other funding not directly related to instruction, such as funding for museums, radio/tv stations, public service, and research.

Not adjusted for inflation.

<sup>1</sup> These amounts will differ from the Annual Report. Some appropriations are for specific initiatives that are not tied to student instruction, whereas the Annual Report captures all appropriations. This table does not include the Major Gift Matching Program, Centers of Excellence, Commercialization Grants, or Research/Economic Development Funds.
