Regulation 8.005

General Education Core Course Options

Purpose

Update the list of
general education core
courses & the reporting
requirements

Impetus for Action

- Implement recent legislative changes to sections 1007.25 & 1007.55, Florida Statutes

Proposed Amendment

- Adds 3 new core course options
- Requires universities to follow the course descriptions in the Statewide Course Numbering System for core courses
- Includes reporting requirements for general education courses & other provisions from new law
- Changes name to “General Education Course Options”

Impact on Institutions

- Update any general education course documents & policies
- Inform students of options

Regulation 6.006

Acceleration Mechanisms

Purpose

Update acceleration mechanisms and accommodate any changes to the list

Impetus for Action

- Implement legislative changes to sections 1004.0981 and 1007.27, Florida Statutes

Proposed Amendment

- Recognizes the Credit or Clock Hour for Law Enforcement Experience Equivalency List
- Removes the list of specific credit-by-examinations to allow for new exams

Impact on Institutions

- Award postsecondary credit for law enforcement equivalencies
