**PROPOSED BOARD ACTION**

Consider approval of Public Notice of Intent to Amend Board of Governors Regulation 6.001, General Admissions.

**AUTHORITY FOR BOARD OF GOVERNORS ACTION**

Article IX, Section 7, Florida Constitution

**BACKGROUND INFORMATION**

Board of Governors Regulation 6.001, General Admissions, outlines requirements for the admission of students to State University System institutions.

During the 2023 session, the Florida Legislature passed House Bill 931, which was signed into law on May 15, 2023. The new law created section 1001.7415, Florida Statutes, prohibiting higher education institutions from requiring or soliciting a political loyalty test for employment, admission, or promotion. Board staff proposes an amendment to Regulation 6.001 to align with section 1001.7415, Florida Statutes.

If approved by the Academic and Student Affairs Committee and the Board of Governors, the amended regulation will be available for public comment for 14 days. If no concerns are raised during that time, the regulation will come before the Board of Governors for final approval at the next meeting.
