Article IX, Section 7, Florida Constitution; Board of Governors Regulation 1.001(3)(c)

BACKGROUND INFORMATION

Board of Governors Regulation 1.001(3)(c) requires that each university board of trustees adopt a strategic plan in alignment with its mission and the Board of Governors' 2025 System Strategic Plan. The regulation also requires the Board of Governors to review and approve university strategic plans. The University of North Florida Board of Trustees approved a new strategic plan on June 15, 2023.

The university also submitted a crosswalk demonstrating how the institution's strategic plan aligns with the priorities of the Board of Governors' 2025 Strategic Plan.

If approved by the Strategic Planning Committee, the University of North Florida 2023-2028 Strategic Plan will be forwarded to the full Board for consideration.

Dr. Moez Limayem, President of the University of North Florida, will provide an overview of the plan.
