AUTHORITY FOR BOARD OF GOVERNORS ACTION

Article IX, Section 7, Florida Constitution; Board of Governors Regulation 1.001(3)(c)

BACKGROUND INFORMATION

Board of Governors Regulation 1.001(3)(c) requires that each university board of trustees adopt a strategic plan in alignment with its mission and the Board of Governors' 2025 System Strategic Plan. The regulation also requires the Board of Governors to review and approve university strategic plans. The Florida Gulf Coast University Board of Trustees approved a new strategic plan on December 7, 2023, and a revision on January 9, 2024.

The university also submitted a crosswalk demonstrating how the institution's strategic plan aligns with the priorities of the Board of Governors' 2025 Strategic Plan.

If approved by the Strategic Planning Committee, the Florida Gulf Coast University 2024-2029 Strategic Plan will be forwarded to the full Board for consideration.

Dr. Aysegul Timur, President of Florida Gulf Coast University, will provide an overview of the plan.
