Re: Renewed Confirmation of Florida Atlantic University Interim President Dr. Stacy Volnick

Dear Chancellor Rodrigues,

On behalf of the Florida Atlantic University Board of Trustees, I am pleased to request that the Board of Governors confirm the re-appointment of Dr. Stacy Volnick to continue serving as FAU's Interim President. The FAU Board approved her renewed appointment on November 14, 2023. I am enclosing a copy of Dr. Volnick's annual evaluation for 2023, which the FAU Board approved unanimously on that date as well. The evaluation documents Dr. Volnick's outstanding leadership of Florida Atlantic University as Interim President last year.

Also enclosed are her renewed interim appointment letter and a summary of the same. The appointment runs to the earlier of the installment of a new president or December 31, 2024. Its terms are identical to those that the Board of Governors approved last year for Dr. Volnick's interim appointment, save for a five percent (5%) increase in her base salary, from \$500,000 to \$525,000.

FAU respectfully requests that the Board of Governors confirm Dr. Volnick's renewed appointment as Interim President at its upcoming meeting. Please do not hesitate to contact me if we can provide you anything further.

Sincerely,

Brad Levine, Chair  
Florida Atlantic University Board of Trustees

Encl.
