**BACKGROUND INFORMATION**

Section 1008.47, Florida Statutes, required the Board of Governors to identify and determine the accrediting agencies best suited to serve as an accreditor for the institutions in the State University System by September 1, 2022. The law also specifies that each institution must seek accreditation from an agency identified by the Board of Governors in the year following its reaffirmation or fifth-year review by its current accrediting agency. Each institution must obtain accreditation from a Board-identified agency before its next reaffirmation or fifth-year review date. Institutions must provide quarterly progress updates to the Board of Governors throughout this process.
