Article IX, Section 7, Florida Constitution; Section 1001.706, Florida Statutes

**BACKGROUND INFORMATION**

Section 1001.706(5)(b), Florida Statutes, requires the Board of Governors to develop a strategic plan specifying goals and objectives for the State University System and each university, including each university's contribution to overall system goals and objectives.

The Board of Governors approved the 2025 System Strategic Plan on November 9, 2011. The plan was amended in 2016, 2019, and 2022 to revise goals and incorporate new metrics. In 2024, the Board will consider developing a new strategic plan.

Ms. Emily Sikes, Interim Vice Chancellor for Academic and Student Affairs, will provide an update on the new strategic plan process and timeline.
