

**STATE UNIVERSITY SYSTEM OF FLORIDA
BOARD OF GOVERNORS**
October 30, 2024

SUBJECT: Athletics

PROPOSED BOARD ACTION

Discussion on the state of Athletics.

AUTHORITY FOR BOARD OF GOVERNORS ACTION

Article IX, Section 7(d), Florida Constitution

BACKGROUND INFORMATION

The college athletic landscape has changed over the last several years with the inclusion of name, image, and likeness (NIL). In 2020, a lawsuit brought by former college athletes against the NCAA for restricting their ability to profit from their NIL, was recently settled. That settlement agreement would pay former Division 1 athletes, establish a revenue-sharing model, and allow schools to pay athletes directly. Discussion will be held on the impact of this to universities.
