

Board of Governors Self-Evaluation Highlights

March 26, 2025

www.flbog.edu

Strengths

All respondents agreed or strongly agreed with the following

The Board:

- ✓ is knowledgeable about state & regional higher education needs
- ✓ recognizes the positive accomplishments of SUS institutions
- ✓ ensures that its mission & goals are sufficiently responsive to current & future higher education & workforce needs
- ✓ monitors the institutions' effectiveness in fulfilling their missions through accountability & strategic plans
- ✓ staff are responsive to member needs

Areas for Improvement

While nearly all respondents agreed that the Board performed well in the areas below, some noted potential improvement

- Ensuring that all Board member responsibilities are clearly outlined & relayed to all members
- Promoting an environment where Board members feel engaged, respected, & empowered to raise issues for discussion

Recommendations

- Increased interaction & discussion between Board members
- Increased understanding of the costs & funding sources for students & institutions
- Continued focus on excellence & achievement
- Continued focus on high-quality educational programs
