BACKGROUND INFORMATION

Section 1001.705(2)(g), Florida Statutes, requires the Board of Governors to adopt a strategic plan for the State University System of Florida. In January 2025, the Board of Governors approved SUS 30, the Board's new strategic plan.

The SUS 30 strategic plan includes five key strategic priorities. The plan includes initiatives, metrics, and goals to support its implementation. Board staff has worked to develop an implementation plan for each of the five strategic priorities. The goals will be put into action through cooperation with the universities and stakeholders. Ms. Emily Sikes, Vice Chancellor of Academic and Student Affairs, will provide an update on the SUS 30 implementation timeline and deliverables.
