

**STATE UNIVERSITY SYSTEM OF FLORIDA
BOARD OF GOVERNORS**

September 11, 2025

SUBJECT: Credit or Clock Hour Postsecondary Credit for Military Training and Education Courses Equivalency List

PROPOSED BOARD ACTION

Consider approval of the Credit or Clock Hour Postsecondary Credit for Military Training and Education Courses Equivalency List.

AUTHORITY FOR BOARD OF GOVERNORS ACTION

Article IX, Section 7, Florida Constitution; Board of Governors Regulation 6.013

BACKGROUND INFORMATION

Section 1004.096, Florida Statutes, provides expanded opportunities for veteran and armed forces postsecondary students to have military training and education evaluated for postsecondary credit. The law requires the Board of Governors and State Board of Education to approve a policy for determining postsecondary course equivalencies and the minimum postsecondary credit hours that must be awarded for military training and education courses. A revised policy for the review was approved by the Board of Governors at its June 2025 meeting.

Following approval of the policy, the statewide discipline committees were convened to review the potential training courses identified by the Office of Articulation. The discipline committees reviewed all possible course alignments and proposed to the Articulation Coordinating Committee (ACC) that the Credit or Clock Hour Postsecondary Credit for Military Training and Education Courses Equivalency List include 57 additional American Council on Education courses.

As part of the policy, the ACC must annually approve a list of postsecondary course equivalents and the minimum postsecondary credit or career education clock hours that must be awarded for military training and education. State University System institutions are required to award minimum credit for military training and education, as designated on the Credit or Clock Hour Postsecondary Credit for Military Training and Education Courses Equivalency List.

The equivalency recommendations were presented to the ACC and approved at its August 2025 meeting. These equivalencies are ready for the Board of Governors and the State Board of Education to consider for approval. If approved by the Academic and Student Affairs Committee, the list will be forwarded to the full Board for consideration. If both Boards approve, the equivalency list will be administered identically across both the State University System and Florida College System. The equivalencies will go into effect upon approval.
