Article IX, Section 7, Florida Constitution; Sections 1001.706 and 1008.46, Florida Statutes; and Board of Governors Regulation 2.002

BACKGROUND INFORMATION

Sections 1001.706 and 1008.46, Florida Statutes, and Board Regulation 2.002, require universities to develop an accountability plan. The accountability plan is the primary mechanism for tracking progress on key metrics and initiatives identified in the SUS 30 strategic plan.

Board staff has drafted a revised accountability plan template for use beginning with the 2026 reporting cycle. The updated template incorporates key performance indicators that are aligned with SUS 30 goals and priorities.

Ms. Emily Sikes, Vice Chancellor for Academic and Student Affairs, will present an overview of the template for the 2026 accountability plan.
