

**STATE UNIVERSITY SYSTEM OF FLORIDA
BOARD OF GOVERNORS**

November 6, 2025

SUBJECT: Public Notice of Approval of Amendment of Board of Governors Regulation 9.013,
Auxiliary Operations

PROPOSED BOARD ACTION

Approve amendment of Board of Governors Regulation 9.013, Auxiliary Operations.

AUTHORITY FOR BOARD OF GOVERNORS ACTION

Article IX, Section 7, Florida Constitution, and Board of Governors' Regulation Development Procedure.

BACKGROUND INFORMATION

This regulation was amended on an emergency basis at the June board meeting to comply with recent judicial developments, becoming effective July 1, 2025. With approval of the House v. NCAA settlement on June 6, 2025, universities began directly sharing revenue with student-athletes beginning July 1, 2025. The settlement includes an arrangement that provides back pay to former athletes to be paid over 10 years. Universities are required to contribute to the backpay. The emergency amendment allowed universities to finalize budgets and make decisions for the upcoming fiscal year, safeguarding the financial health and welfare of the universities. Because emergency regulations are time-limited to a period of 90 days, we are now initiating the normal regulation amendment process.

The Board approved the public notice of intent to amend this regulation at the September 11, 2025, meeting. No public comments were received, and the regulation is ready for final approval.
