SUBJECT: Florida Alliance for Quantum Technology

PROPOSED COMMITTEE ACTION

For information

AUTHORITY FOR BOARD OF GOVERNORS ACTION

Article IX, Section 7, Florida Constitution

BACKGROUND INFORMATION

The committee will hear an update on the Florida Alliance for Quantum Technology, a collaborative effort being developed between Florida's public higher education institutions and statewide and global leaders in quantum technology. The Alliance aims to bridge cutting-edge science with real-world impact and develop the workforce necessary to enhance opportunities for the application of quantum technologies in national defense and industry innovation in Florida.

Dr. David Norton, Vice President for Research at the University of Florida, Dr. Stacey Patterson, Vice President for Research at Florida State University, and Dr. Winston Schoenfeld, Vice President for Research and Innovation at the University of Central Florida, will provide an update on the Florida Alliance for Quantum Technology.
