BACKGROUND INFORMATION

Following President Rhea Law's announcement in February 2025 that she intended to step down as President of USF, the university engaged in a nationwide search for its next president. USF Board of Trustees Vice Chair Michael Griffin chaired the Presidential Search Committee, which unanimously recommended Dr. Moez Limayem as the sole finalist for consideration by the USF Board of Trustees. On October 21, 2025, the USF Board of Trustees unanimously selected Dr. Limayem as USF's next president. Pursuant to BOG Regulation 1.002, USF Board of Trustees Chair Will Weatherford requests the Board of Governors confirm Dr. Limayem as USF's next president.
