AUTHORITY FOR BOARD OF GOVERNORS ACTION

Article IX, Section 7, Florida Constitution; Regulation 5.001 – Performance-Based Funding.

BACKGROUND INFORMATION

On November 6, 2025, the Board approved changes to the Performance-Based Funding (PBF) Model. Included in those changes was a request that the University Boards of Trustees submit to the Board a new Metric 10 for approval in January to be part of the new PBF model effective in 2027.

Each University Board of Trustees has chosen a new Metric 10 from the following list of options:

- Annual Giving (\$)
- Shared Initiatives Savings
- Percent of Bachelor's Degree Completers with Internships
- Professional Licensure & Certification Exam Pass Rates
- Faculty in the Top Quintile of their Field
- National Academy Members
- Total Research Expenditures
- Number of Licenses/Options Executed Annually

Consider each university's Metric 10 proposal, including benchmarks, for approval.
