Footnotes

- 1) Based on the State PECO Revenue Estimate Conference held 8/4/25 and the resulting funding estimates provided by DOE. Figures are considered preliminary and subject to change with the subsequent Revenue Estimating Conferences.
- 2) Generally speaking, this category includes private gifts/donations, but may also include Carryforward funds.
- 3) In the event of a tie score between projects, the project with the lowest Remaining PECO Need will be given priority.
- 4) The FAMU-FSU College of Engineering is uniquely governed by a Governance Council, receives a separate and distinct operating appropriation in the GAA, and has its own Educational Plant Survey performed. For the purpose of Criteria 3 above, it has its own facilities inventory and its needs are assessed separately from FAMU and FSU. FSU is the fiscal agent for the FAMU-FSU COE.
