# Impact of the Student Success Plan

**Strengthened** partnerships with Florida College System (FCS) colleges through new transfer agreements and targeted efforts for popular majors.

**Expanded** use of AI-powered behavioral analytics and intervention strategies to create a university-wide care model for student support.

**Scaled Up** successful strategies for coordinating high-impact courses to reduce the number of students earning D, F or W (withdraw) grades.

**Strengthened** institutional capacity for predictive analytics to provide actionable insights for student success teams.

**Invested** in new technology systems to strengthen degree planning, transfer evaluation, and course scheduling.

**Developed** FGCU's first formal strategic enrollment plan to recruit, retain, and graduate academically prepared students.

**Prioritized** academic programs of strategic emphasis (PSE).

**Embraced** internships as FGCU's PBF Metric 10 in alignment with strategic priorities, regional impact, and post-graduation student success.
