SUBJECT: Public Notice of Intent to Amend Board of Governors Regulation 7.001,
Tuition and Associated Fees

PROPOSED COMMITTEE ACTION

Approve the Public Notice of Intent to Amend Board of Governors Regulation 7.001.

AUTHORITY FOR BOARD OF GOVERNORS ACTION

Article IX, Section 7(d), Florida Constitution, Board of Governors Regulation Development Procedures

BACKGROUND INFORMATION

Regulation 7.001 is being amended to align with House Bill 5601E, passed by the legislature and approved by the Governor on June 29, 2026. The amendment allows the Board of Governors to withhold approval of out-of-state fee increases if the State University System is out of compliance with the systemwide limitation on enrollment of nonresident undergraduate students pursuant to Board Regulation 7.006. Each university must annually update its accountability plan with the actual percentage of nonresident undergraduate degree-seeking students enrolled during the prior year. If, in any given year, the Board determines a university has enrolled a greater percentage of such students than projected, the Board will require corrective action, including, but not limited to:

1. A revision to the university's accountability plan;
2. An enrollment reduction plan; or
3. Reduction of such a university's undergraduate out-of-state fee.

The proposed amendment to the regulation has been shared with the universities.
