STATE UNIVERSITY SYSTEM OF FLORIDA
BOARD OF GOVERNORS
November 13, 2026

SUBJECT: Public Notice of Approval of Amendment of Board of Governors Regulation 14.004, Fixed Capital Outlay Legislative Budget Request Procedures.

PROPOSED BOARD ACTION

Approve the amendment of Board of Governors Regulation 14.004.

AUTHORITY FOR BOARD OF GOVERNORS ACTION

Article IX, Section 7(d), Florida Constitution, Board of Governors Regulation Development Procedures.

BACKGROUND INFORMATION

Regulation 14.004 governs the preparation and approval of university fixed capital outlay legislative budget requests. Therein subparagraph 3(a) governs subsequent funding transfers between previously approved CITF-funded projects, requiring board of trustees (BOT) approval. However, the preexisting paragraph (3) still reflects only “president” approval, which is being revised to require BOT approval, for consistency as well as mirror current practice.

Minor edits were also made to clarify the language and cite specific statute.

This regulation was shared with the universities, and feedback was incorporated when appropriate or necessary.

At its September 3, 2026 meeting, the Board approved the Public Notice of Intent to Amend Regulation 14.004. Public notice was subsequently posted for review and comments. No comments were received.
