BOARD OF GOVERNORS
November 13, 2026

SUBJECT: Public Notice of Approval of Amendment of Board of Governors Regulation 7.001, Tuition and Associated Fees

PROPOSED BOARD ACTION

Approve the amendment of Board of Governors Regulation 7.001, Tuition and Associated Fees

AUTHORITY FOR BOARD OF GOVERNORS ACTION

Article IX, Section 7, Florida Constitution, and Board of Governors' Regulation Development Procedure.

BACKGROUND INFORMATION

Regulation 7.001 is being amended to align with House Bill 5601E, passed by the legislature on May 29, 2026. The amendment allows the Board of Governors to withhold approval of out-of-state fee increases if the State University System is out of compliance with the systemwide limitation on enrollment of nonresident undergraduate students pursuant to Board Regulation 7.006. Each university must annually update its accountability plan with the actual percentage of nonresident undergraduate degree-seeking students enrolled during the prior year. If, in any given year, the Board determines a university has enrolled a greater percentage of such students than projected, the Board will require corrective action, including, but not limited to:

1. A revision to the university's accountability plan;
2. An enrollment reduction plan; or
3. Reduction of such a university's undergraduate out-of-state fee.

The Board approved the public notice of intent to amend this regulation at the September 3, 2026, meeting. No public comments were received.
